TAJ MAHAL: Little needs to be said about this architectural wonder which is always the soul raison-de-etre for every tourist's visit to Agra. Built by Shah Jahan, the Taj is a white marble memorial to his beautiful wife Mumtaz Mahal. This monument took 22 years to be completed and was designed, and planned by Persian architect Ustad Isa. Apart from its stunning design balance and perfect symmetry, the Taj is also noted particularly for its elegant domes, intricately carved screens and some of the best inlay work ever seen.
